

G

- Gallbladder, Heterotopic Gastric Mucosa in the Wall of the, 242.
Gallbladder, Perforation of the, in Acute Cholecystitis, 170.
Gastrectomy, Complete, The Problem of Nutrition Following, 467.
Gastrectomy, Partial for Duodenal or Marginal Ulcer, 860.
Gastric Mucosa, Heterotopic, in the Wall of the Gallbladder, 242.
Gastric Resection, More Accurate Estimation of the Extent of, 260.
Gastric Ulcer, Antrum Hyperfunction and, 396.
Gastro-Intestinal Tract, Primary Malignant Lymphoma of the, 428.
Grafts, Inverted Seromuscular, from the Ileum and Colon for Reconstruction of the Urinary Bladder, 832.

H

- Hemangioma of the Mediastinum, 771.
Hematoma, Acute Posterior Fossa Epidural, 748.
Hematomas, Subacute Extradural, 194.
Hemorrhage, Massive, Diverticulosis in, 128.
Hemorrhage, Traumatic Subserosal, Causing Small Bowel Obstruction, 768.
Hepatic Ischemia, Experimental, 695.
Herniaphrodismus Masculinus Internus, A Case of, 216.
Hernias, Gigantic, Preoperative Pneumoperitoneum as an Aid in the Handling of, 759.
Heterotopic Gastric Mucosa in the Wall of the Gallbladder, 242.
Homografts, Arterial, Freeze-Dried, Preparation and Use of, 35.
Hormone, Posterior Pituitary Antidiuretic, Effects of, On Water Metabolism in Man, 354.
Hydrodynamics of the Upper Urinary Tract, The, 839.
Hypochloremia, Acute, The Effects of, on the Distribution of Body Fluid and Composition of Tissue Electrolytes in Man, 150.
Hypothermia, A Simple Method for Inducing, 557.
Hypothermia, Studies on the Physiological Effects of, in Chronic Experimental Cyanosis, 821.
Hypothermia, The Use of, in Resection and Homologous Graft Replacement of the Thoracic Aorta, 720.

I

- Ileostomy Dysfunction, The Mechanism and Prevention of, 459.
Immunization, Anti-Tetanus, On the Permanence of, 563.
Intralipid Septal Defects, Surgical Treatment of Forty-Six, By Atrio-Septo-Pexy, 805.
Intervertebral Disc, Ruptured, Arteriovenous Fistula Secondary to operation for, 122.
Intervertebral Disc Surgery, Major Vascular Complications of, 343.
Intestinal Tract, Embryology and Pathology of the, 368.
Intestine, Small, Proximal and Distal, An Experimental Evaluation of the Nutritional Importance of, 439.
Intra-Arterial and Intravenous Transfusion, A Comparison of, In Normal Dogs and in Dogs with Experimental Myocardial Infarction, 56.
Intravenous Cholangiography, 600.
Intussusception in Infants and Children, 180.

L

- Ligation of the Inferior Vena Cava, 200.
Liver Abscesses, Multiple, Following Biliary Tract Surgery, 227.
Liver, Devascularization of the, in Dogs, 93.
Lymphoma, Primary Malignant, of the Gastro-Intestinal Tract, 428.

M

- Management of Tumors of the Parotid Gland, 164.
Massive Chondrosarcoma of the Rib with Extension into the Colon: Repair with Tantalum Mesh, 886.
Massive Hemorrhage in Diverticulosis: Possible Explanation of Cause with Presentation of Case Requiring Surgical Treatment, 128.
Mechanism and Prevention of Ileostomy Dysfunction, The, 459.
Meconium Ileus, A New Method of Relieving Obstruction, 736.
Mediastinum, Chemodectoma (Nonchromaffin Paraganglioma) of the, 254.
Mediastinum, Hemangioma of the, 771.
Meigs' Syndrome, 763.
Melanomas of the Skin of the Head and Neck, 796.
Mesenteric Artery, Superior, Repair of Laceration of, Acquired by Non-Penetrating Injury to the Abdomen, 752.

- Mesentery, Avulsion of, with Gangrene of Segment of Small Bowel (Ileum) Following Non-Penetrating Trauma of Abdomen, 257.
Metabolism, Ammonia in Man, 539.
Method of Repair of Symptomatic Chronic Acromioclavicular Dislocation, 75.
Mitral Commissurotomy, Saddle Embolus of the Aorta as an Immediate Complication of, 223.
Mitral Insufficiency: The Experimental Use of a Mobile Polyvinyl Sponge Prosthesis, 335.
Mitral Valvulotomy Through a Rubber Diverticulum, 741.
Multiple Liver Abscesses Following Biliary Tract Surgery, 227.
Myocardial Infarction, Experimental, 675.
Myocardial Infarction, Experimental, A Comparison of Intra-Arterial and Intravenous Transfusion in Normal Dogs and in Dogs With, 56.

N

- Neocystostomy, Ureteroileal and Pyleoileal, in Man, 615.
Nitrogen Balance, The Effect on, of varying the Proportion of Infused protein Hydrolysate and Glucose, 349.
Nutrition, The Problem of, Following Complete Gastrectomy, 467.

O

- Occlusive Disease of the Aorta and Its Treatment by Resection and Homograft Replacement, 290.
Oxytetracycline, The Use of a Buffered Solution of, for Intraperitoneal Injection, 867.

P

- Pancreatitis, Acute, Post-Gastrectomy Proximal Jejunal Loop Obstruction Simulating, 119.
Parotid Gland, Management of Tumors of the, 164.
Partial Gastrectomy for Duodenal or Marginal Ulcer, 860.
Peptic Ulcer, Perforated, Splenic Hemorrhage Simulating, 246.
Perforation of the Colon in Ulcerative Colitis, 872.
Perforation of the Gallbladder in Acute Cholecystitis, 170.
Perioral Pigmented Spots and Small Bowel Polyps, The coincidence of, 901.
Peripheral Arterial Insufficiency, Radioactive Sodium Clearance as a Measurement of Efficacy of Sympathectomy in, 67.
Peripheral Vascular Disease, The Walking Venous Pressure Test for, 137.
Peritoneal Tumor Implants, The Prevention of, by Radioactive Colloidal Gold, 206.
Pilonidal Sinus: Primary Closure with Equal Musculo-fascial Flaps and Removable Far-And-Near Sutures, 687.
Pneumoperitoneum, Preoperative, As an aid in the Handling of Gigantic Hernias, 759.
Polyp, Bile Duct, Retention Cyst of the Liver Due to, 906.
Polyps, Small Bowel, The Coincidence of Perioral Pigmented Spots and, 901.
Portal Tension and Its Dependence on External Pressure, 652.
Post-Gastrectomy Proximal Jejunal Loop Obstruction Simulating Acute Pancreatitis, 119.
Potassium, Albumin, Sodium, and Chloride Redistribution and Erythrocyte Loss After Surgical Trauma and Extensive Burns, 524.
Preparation and Use of Freeze-Dried Arterial Homografts, 35.
Presacral Cystic Tumors, 81.
Presidential Address, 261.
Prevention of Peritoneal Tumor Implants by Radioactive Colloidal Gold, 206.
Primary Closure: Pilonidal Sinus, 687.
Problem of Nutrition Following Complete Gastrectomy, The, 467.
Protein Hydrolysate and Glucose, The Effect on Nitrogen Balance of Varying the Proportion of Infused, 349.
Pulmonary Alveolar Ventilation Changes in, During Anesthesia, 569.

R

- Radioactive Sodium Clearance as a Measurement of Efficacy of Sympathectomy in Peripheral Arterial Insufficiency, 67.
Renal Homotransplantation: I. The Effects of Cortisone on the Transplant: II. The Effect of the Transplant on the Host, 711.
Repair of Laceration of Superior Mesenteric Artery Acquired by Non-Penetrating Injury to the Abdomen, 752.
Resection, Billroth 1, The, 405.
Resection and Homologous Graft Replacement of the Thoracic Aorta, The Use of Hypothermia in the, 720.

- Resection, Massive, of the Small Intestine from Fifteen Centimeters Distal to the Ligament of Treitz to Within Six Centimeters of the Ileocecal Valve—With a Four Year Follow-Up, 755.
Retention Cyst of the Liver Due to a Bile Duct Polyp, 906.
Revascularization of the Heart by Anastomosis Between Aorta and Coronary Sinus, 668.
Rupture of the Extrahepatic Bile Ducts from Nonpenetrating Trauma, 234.

S

- Saddle Embolus of the Aorta as an Immediate Complication of Mitral Commissurotomy, 223.
Septal Defects, Arterial Transfusion as an Adjunct to Hypothermia in the Repair of, 100.
Smooth Muscle Tumors of the Stomach, 875.
Sodium, Albumin, Potassium, and Chloride Redistribution and Erythrocyte Loss After Surgical Trauma and Extensive Burns, 524.
Spleen, Autotransplantation of, 107.
Splenic Hemorrhage Simulating Perforated Peptic Ulcer, 246.
Splenosis, 107.
Studies on the Physiological Effects of Hypothermia in Chronic Experimental Cyanosis, 821.
Studies on the Transplantation of Free Jejunal Mucosa-Submucosal Autografts to the Mucosa-Stripped Stomach of the Dog, 86.
Study of the Circulation of the Blood in the Spleen of the Living Mouse, 266.
Subacute Extradural Hematomas, 194.
Sulphur, Radioactive, Labeled Methionine, The Use of, in the Study of Protein Catabolism in Burn Patients, 519.
Surgery, Anesthesia and, Cardiac Arrest During, 623.
Surgery, Effects of, On Water Metabolism in Man, 354.
Surgery, Intervertebral Disc, Major Vascular Complications of, 342.
Surgical Convalescence, Water-Soluble Vitamin Requirements in, 661.
Surgical Trauma and Extensive Burns, Albumin, Potassium, Sodium, and Chloride Redistribution and Erythrocyte Loss After, 524.
Surgical Treatment of Cancer of the Nose, with Emphasis on Methods of Repair, The, 475.
Surgical Treatment of Forty-Six Interatrial Septal Defects by Atrio-Septo-Pexy, 805.
Surgical Treatment of Metastatic Tumors of the Spine, 197.
Survival of Dogs After Partial or Total Devascularization of the Liver, 93.
Syndrome, The Cruveilhier-Baumgarten, 44.

T

- Thoracic Duct Cyst, Blind Supradiaphragmatic, 250.
Thrombosis and Traumatic Arterial Spasm, 318.
Transfusion, Arterial, as an Adjunct to Hypothermia in the Repair of Septal Defects, 100.
Transplantation of Free Jejunal Mucosa-Submucosal Autografts to the Mucosa-Stripped Stomach of the Dog, 86.
Traumatic Subserosal Hemorrhage Causing Small Bowel Obstruction, 768.
Tumors, Metastatic, of the Spine, Surgical Treatment of, 197.
Tumors, Parotid Gland, Management of, 164.
Tumors, Presacral Cystic, 81.
Tumors, Retroperitoneal, Visualization of the Inferior Vena Cava as an Adjunct to Diagnosis of, 892.
Tumors, Smooth Muscle, of the Stomach, 875.

U

- Ulcer, Duodenal or Marginal, Partial Gastrectomy for, 860.
Ureteroileal and Pyeloileal Necrocytostomy in Man, 615.
Uretero-Sigmoidostomy, Restoration of Normal Voiding Mechanism after, 827.
Urinary Tract, Upper, The Hydrodynamics of the, 839.
Use of Arterial Transfusions as an Adjunct to Hypothermia in the Repair of Septal Defects, 100.
Use of a Buffered Solution of Oxytetracycline for Intraperitoneal Injection, 867.
Use of Hypothermia in the Resection and Homologous Graft Replacement of the Thoracic Aorta, 720.
Use of Inverted Seromuscular Grafts from the Ileum and Colon for Reconstruction of the Urinary Bladder, The, 832.

V

- Vena Cava, Inferior, Ligation of the, 200.
Vena Cava, Inferior, Visualization of the, as an adjunct to Diagnosis of Retroperitoneal Tumors, A Case Report, 892.
Venous Pressure Test, Walking, 137.
Visualization of the Inferior Vena Cava as an Adjunct to Diagnosis of Retroperitoneal Tumors, A Case Report, 892.

W

- Water Metabolism in Man, Effects of Anesthesia, Surgery and Posterior Pituitary Antidiuretic Hormone on, 354.
Water-Soluble Vitamin Requirements in Surgical Convalescence, 661.
Wounds, Abdominal, in Korea, 850.
Wounds, Differences Between the Rate of Healing of, Inflicted with Short Time Interval, 449.
